

GREATER CHICAGO FOOD DEPOSITORY

FOOD DRIVE

Make an immediate difference in the fight against hunger in our community by contributing to our organization's food drive. There are two ways to participate.

VIRTUAL FOOD DRIVE

Please make an impact and contribute to our drive at myfooddrive.org/

The Food Depository's wholesale purchasing ability and efficient distribution model make a virtual food drive an excellent way to support your neighbors in need, tripling every dollar donated!

1 in 6 people turn to the Food Depository's network for food each year.

TRADITIONAL FOOD DRIVE

Bring in a box/bag of non-perishable canned food items to contribute! Planning the collection with your grocery shopping trip makes it much more convenient. See our Most Needed Items below to help pick items that contribute to a wholesome diet.

Want to volunteer at the Greater Chicago Food Depository?

Bring a group or come on your own to the Food Depository to volunteer and see our mission in action! Go to chicagosfoodbank.org/volunteer to sign-up for your session!
