RE: Ms. Gulley

---

Ms. Gulley had an accident at work on Monday, December 5, 2016 and she may be out for up to 6 weeks. I reached out to our network office for support during this time, and our Network Chief is working on getting a retired principal at Murray to support the work.

As more details become available, I will keep you updated. Thank you in advance for your patience during this difficult transition.

*We are Murray, We are one!*
