5 FAQs About The Family Income Information Form (FIIF)

1. Why do I have to complete a form?
   Chicago Public Schools requires every CPS student submit a form. Each school must have 100% compliance.

2. Do I have to disclose my income?
   No. If you do not want your child to be considered for free/reduced lunch status, please follow these instructions:
   Part 1- Write your CPS student’s (s’) name and birthdate.
   Part 4- Write N/A for not applying.
   Part 6- Complete all areas.

3. What is the benefit to the school for submitting this form?
   Funds that are submitted this school year will result in Murray receiving an allocation of approximately $950.00 in state funds per eligible student, for SY 2021-2022. Forms that were submitted in SY 2019-2020 resulted in Murray receiving an allocation of $303,937.33 in SGSA funds this school year.

4. What is the benefit to me for submitting the FIIF?
   The FIIF is also used to screen for parents who are eligible for a waiver of instructional fees, for families who are eligible to receive food assistance from the SNAP program and/or medical assistance from the Medicaid program. Also, students who have free/reduced lunch status are eligible for discounts and scholarships for many educational and recreational programs.

5. Do I need to submit a separate FIIF for each of my CPS students?
   You only need to submit separate forms for your children who attend different CPS schools, or who live in different households.
Parents, this is a seamless process that will greatly benefit our school and possibly you. Please get your form in ASAP! **There are several options for submission:**
