Happy Sunday Murray Parents!

We hope you and your families are safe and well.

**Opt-in for 4th Quarter**
Beginning Monday, March 8th all CPS families, who have not yet returned to schools in-person, will be able to opt-in for a return later this year. The opt-in window will be available to students in all grades (grades Pre-K through 12) and will remain open until March 19th.

If the intent-to-return form is not submitted by the deadline of March 19th, your student will continue in remote learning until the end of the school year. If you need help in submitting your preference, we are here to assist. Please call the school office at 773-535-0585 for support.

Opt-in forms will be sent directly to parents, and this will be the final opportunity to choose in-person learning this school year.

- Families who have not yet returned to classrooms will be able to return Monday, April 19 — the first day of the 4th-quarter.
- Families who are already enrolled in classroom-based learning will not need to fill out the intent form to remain in-person.

CPS has scheduled a virtual parent townhall for elementary school parents:
- Elementary School Town Hall: Tuesday, March 16, from 5-6:30 p.m. (Register [HERE](#))

**PAC News**
- The next PAC parent workshop is March 17th. The workshop will focus of [How Fractions can get you to College](#).
PTO News
- **Mask Mondays**—Our PTO has spirit Face Masks for sale for students. The cost is $10 per mask. The sale hours are from 3:30PM to 4:30PM.

8th Grade Parent News
Ninth grade results for the first round will be released on Friday, April 30, 2021, between 5:00 p.m. and 11:59 p.m. CST. All applicants will receive their results via their online GoCPS account. An online GoCPS account will be created for paper applicants using the email address or phone number on the paper application; information will be emailed to paper applicants to assist them in accessing their online accounts. During the week of April 26th, all applicants will receive instructions via email on how to access their results. (This information is also being provided to ninth-grade applicants and subscribers to the GoCPS mailing list.)
